EVERGED CHARGING

How to Charge Your Electric Vehicle

Using the Mobile App:

1. Download the Everged Charging mobile application from the App Store or Google Play.
2. Create an account and add a payment method.
3. Scan the EV charger's QR code.
4. Plug in your vehicle to start charging.
5. End your charging session by selecting "End Session" in the app.

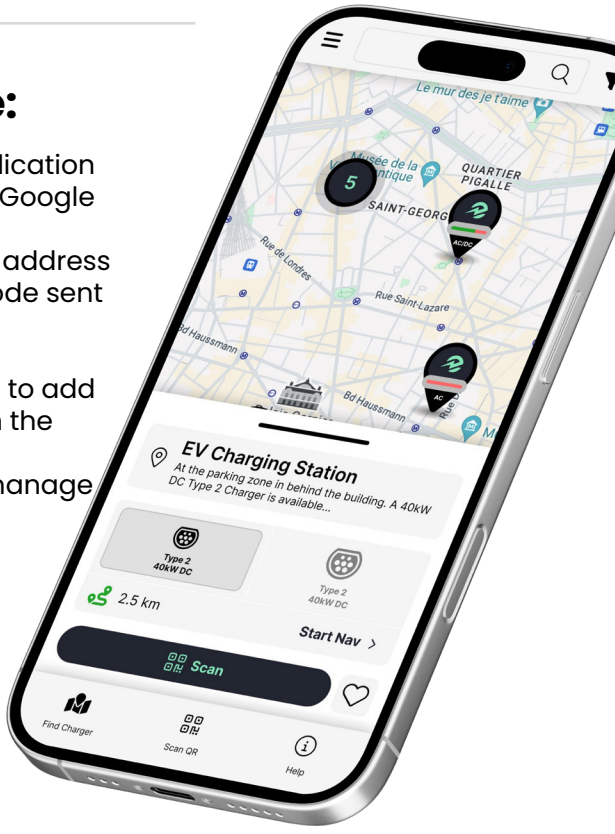

Using a Credit Card:

1. Tap or insert your card.
2. Select your charging port.
3. Plug in your vehicle to start charging.
4. To end your charging session, unplug the connector.

Download the App

Mobile App Quick Start Guide:

1. Download the Everged Charging mobile application from your device's app store (Apple Store or Google Play).
2. Create an account by registering your email address and verify through the confirmation link or code sent to the email address provided.
3. Add a payment method under the "Payment Information" section. You can always choose to add or change a payment method by tapping on the menu.
4. Start using the app to locate chargers and manage charging sessions.
